Notes:
 1 The above unaudited financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on November 11, 2019. The Statutory Auditors have carried out a limited review of the results for the quarter and half year ended September 30, 2019.
 2 Effective from April 01, 2019, the company has applied Ind AS 116 "Leases". The standard is applied retrospectively and the cumulative effect of applying this standard is recognised. The adoption of Ind AS 116 did not have any significant impact for the company.
 3 Pursuant to the Taxation Laws (Amendment) Ordinance, 2019 ('Ordinance') issued by Ministry of Law and Justice (Legislative Department) on 20th September, 2019 which is effective 01 April 2019, domestic companies have the option to pay corporate income tax rate at 22% plus applicable surcharge and cess (New tax rate) subject to certain conditions.
 The company has made an assessment of the impact of the Ordinance and decided to continue with the existing tax structure until utilisation of accumulated minimum alternative tax (MAT) credit. However, in accordance with the accounting standards, the Company has also evaluated the outstanding deferred tax asset/liability, and written back extent of component to the Statement of Profit and Loss. This is arising from the re-measurement of deferred tax assets/ liabilities that is expected to reverse in future when the Company would migrate to the new tax regime.
 4 The Company is engaged in tax only segment viz. Steel Manufacturing and as such there is no separate reportable segments as per IND AS -108 "Operating Segment".
 5 Figures for the previous periods have been regrouped and/or reclassified to conform to the classification of the current period, wherever necessary.
 6 The above results are available on the Company's website at www.scansteels.com and BSE website (www.bseindia.com)
